To All Commands,

*****NOTE: PARA 5 IS A MAJOR CHANGE TO PREVIOUS PROCESSING *******
*******FLPP II WILL NO LONGER BE PAID FOR IDT*******

1. The purpose of this message is to outline the conditions of entitlement and procedures for paying Foreign Language Proficiency Pay (FLPP). This message is based on DoDFMR vol 7A chp 19, AR 611-6, and ALARACT message DTG 111305Z Apr 00.
2. As of 9 April 2002, any language not listed on the "FLPP I and FLPP II Critical Language List" is not authorized for payment. However, prior entitlement may be retained until current, 12 month, entitlement terminates.
3. FLPP I and II are not authorized for the same period of time. FLPP is computed based on a 30-day month. For service less than a month, a soldier is entitled to a prorated amount equal to 1/30th of the monthly, authorized FLPP rate for each day, or period, of duty performed. Note: FLPP is based on the lowest proficiency score, and any rating below 2/2 is ineligible for payment.
4. FLPP I is designated for career linguists; eligible soldiers must be currently qualified in their primary language. FLPP I is authorized for IDT/AT/ADT/ADSW. Additive payments, for additional languages, are at \$50 increments and must be for different languages. Cross-referenced separate orders must be cut for multiple languages. The monthly rate will not exceed \$300. (refer to paragraph 3)
5. FLPP II is for non-career linguists. FLPP II is only authorized for soldiers in an Active Status, **not IDT status**. Soldiers entitled to FLPP II are only entitled to one language per year and the maximum payment is \$100

per month. (refer to paragraph 3)
